Dear Parents and Guardians,

Now that the school year has come to an end and the summer begins, we would like to welcome your child to the 5th grade. We are very excited to get to know your child and work with him/her over the next year. The 5th grade is a very exciting year.

This upcoming year we will also have the chance to participate in more of the performing arts as well as other programs. Let's not forget, however, our expectations for the upcoming 5th graders. We have the highest expectations for our students academically and socially. To prepare for 5th grade here are some simple things you can do with your child over the summer:

- Encourage your child to read everyday
- Keep a writing journal of their summer experiences
- Practice multiplication and division facts using flashcards
- Provide your child with outside experiences such as visiting your local library, and/or museums
- Most importantly, have fun

Here are some important upcoming dates to remember:

- September 8th – School begins
- September 15th – Meet the Teacher Parent Teacher Conference
- September 26th – September 27th – Rosh Hashanah - Schools Closed

We are looking forward to meeting all of you on September 8th. Have a restful and safe summer!

Sincerely,
The Fifth Grade Teachers
