Dear Parent/Guardian,

As you know, on November 7th we conducted a pivot to remote drill for all students. Please note that a device was provided to all students. As noted in the letter sent to all families to alert them of the November 7th Pivot to Remote Drill, this assignment was crucial in preparing all students and families in the event that we pivot to remote.

Please ensure that when assignments are provided to students via Google Classroom, you actively monitor completion and submission of assignments. We are asking you to take a moment to review your child's activity/expectations on Google Classroom.

On our end, we are actively working with students on devices in school to build stamina and mastery.

If you have any questions about Google Classroom or devices, please contact your child's teacher. You can also contact our Parent Coordinator, Mr. Brown (jbrown112@schools.nyc.gov).

Sincerely,

Dora Danner
