

September 2022

Dear Kindergarten Families,

Welcome to Kindergarten 2022-2023! There is an exciting year awaiting, designed to promote and enhance your child's growth and development. This very important year promises to be one filled with discovery and joy as your child works and plays in an environment that is warm, safe and challenging.

Our goal is to ensure that our students are gaining the confidence to be independent learners and thinkers. The daily activities will incorporate instruction and skill reinforcement in reading readiness, mathematics, writing, science, social studies, the arts, fine and gross motor skills, social/emotional skills and language development.

We look forward to a smooth year by working together to provide your child with the best. We want to give the students snack time. You are more than welcome to send your child a nutritional snack, however, please be aware that our class is a peanut free environment.

If you have any questions or concerns, kindly reach us through email or Google Classroom. Invitations to join have been sent out to all parents/guardians. If you have not received an invitation to join Google Classroom, please contact Mr. Garcia, our technology specialist at (igarcia@ps234queens.com). Thank you for your cooperation and support this school year.

Sincerely,
Kindergarten Teachers
