

Health is Wealth

Nutrition Committee

October 1, 2023

Dear P.S.234 Students & Families

We are excited to announce the initiation of P.S.234's first ever "Health is Wealth" Nutrition Committee

Students in grades 2-5 are eligible to apply for a position on the "Health is Wealth" Team. Joining the Nutrition Committee is a year long commitment and student participation and attendance are important. The committee will meet during school and afterschool hours. The dates will be provided at a later time. One of the great things about our Nutrition Committee is that students will not only learn about healthy eating habits, they will also have the opportunity to engage in preparing delicious healthy meals and snacks.

In order to be considered for the team students must complete the application which can be accessed by clicking the link below. On Friday, October 13, 2023 students who apply will be interviewed in the library.

Please keep in mind that the submissions are due through the Google Form linked below no later than Tuesday, October 10, 2023.

If you have any questions please do not hesitate to contact our parent coordinator at jbrown112@schools.nyc.gov.
