-- The PERFORM Council

Hello from the PS 234Q PERFORM student council!

Do you know what it means to be Citizen of the Month?

Have you ever wondered what it takes to become the next citizen of the month?

As a PERFORM Council we want to help all of the students in our school achieve this honor. We've been citizen of the month and we want to tell you how you can be one too!

The citizen of the month is an award given monthly at the PTA meeting, to 2 students in each class that show the characteristics of our school motto P.E.R.F.O.R.M. (Perseverance, Excellence, Respect, Focus, Organization, Responsibility, Motivation). In addition to using this acronym of PERFORM as a guide to achieve citizen of the month, we encourage all students to be great listeners, compassionate friends, confident learners, and always be your best **YOU!**

We hope this informs and encourages you on your path to becoming citizen of the month.

Please look out for our monthly PERFORM Council Newsletter which will highlight a characteristic of PERFORM each month!
