

September 2022

Dear Pre-Kindergarten Parents/Guardians,

Welcome to Pre-Kindergarten 2022-2023! The Pre-K teachers want to welcome you and your child with a fun filled year with lots of learning and growth! We are looking forward to helping your child grow, develop, and learn many exciting new things with their classmates this year. Our goal is to ensure that our students are gaining the confidence to be independent learners and thinkers.

The first few weeks of school are a time of transition and becoming familiar with our daily routines, as we are getting to know each other. We will then explore our thematic units that include engaging hands-on activities for your child to participate and ask questions.

We look forward to a smooth year by working together. If you have any questions or concerns, kindly reach us through our email or Google Classroom.

Thank you for your cooperation and support this school year.

Sincerely,
Pre-Kindergarten Teachers
