

June 25, 2021

Dear P.S.234 Families,

It has been quite a challenging year for everyone! Our school community has been resilient amid all of the changes, adjustments, quarantine, and technology challenges. As we head into the summer and a well-deserved break, we want to thank you for your patience, trust, partnership, and support.

Through all the challenges, I am proud that the P.S. 234 School of Performing Arts and Technology community played an amazing role in helping our students thrive, face hardships and create opportunities. Our students have been great! They have faced down the chaos, turmoil and disarray, and continue to impress us with resiliency and commitment to excellence.

As we see a brighter future and experience more and more normalcy, we stand proud of our incredible students. We are proud of our amazing, dedicated and awesome teachers and staff and we thank our parents and guardians who entrust their most prized possessions to us on a daily basis. We will continue to provide our students with the best educational opportunities possible and we are so excited to welcome everyone back in September. Please use the attached resources to enjoy and explore as a family this summer.

Have a safe and restful summer!

Sincerely,  
Dora Danner  
Principal
