

### Welcome to First Grade!

Dear Parents/Guardians and First Graders,

**Welcome to the most incredible year ever!**

The first grade teachers would like to welcome you and your child to a glorious new first grade school year **2022-2023**. First grade is a very exciting time because here is where we embark upon new adventures. This is a year of important transitions and one in which new skills are accelerated.

First graders develop fundamental habits, appropriate social behaviors and problem-solving techniques (both academic and social) that they will carry with them throughout their educational careers.

Celebrate your child's successes, no matter how small it may seem. This will keep your child enthusiastic about learning. They will be very proud of their work.

Remember to keep reading over the summer and practice those sight words!

School begins on **Thursday, September 8th at 8:00 AM**. We look forward to meeting you that morning.

Don't forget the school supplies. Please send them to school based on the **specific dates** indicated on the supply list that follows.

Regards,

The First Grade Team

## Welcome to First Grade!
