

Welcome Back!

September 13, 2021

Dear P.S.234 Families,

I would like to welcome each of you to the start of the 2021-2022 academic school year. What an exciting and highly anticipated day it was. It brought me such joy as I walked around the school building, to see the school at full capacity after so long and the classrooms filled with the laughter and the spirit of children.

There has been a lot of planning and preparation in order to get ready for this school year and I can assure you that the P.S.234 community is committed to providing an excellent academic and nurturing environment for your children. We are prepared to start the year off strong and your support of the school is truly appreciated!

Please be aware that Covid-19 testing will begin soon, therefore we must have a Covid-19 consent form on file for each student. A paper copy has been sent home with your child, however, you can also access the form online using the New York City Schools Account (NYCSA) by logging in, clicking on your child's name, click "Manage account" and then when a dropdown menu appears, click "Consent Forms". [Click Here to Access the NYCSA.](#)

In an effort to make morning lineup run more efficiently and in a timely manner please make sure to complete the Health Questionnaire which is required daily, prior to morning drop off. For your convenience you can access the form at the link below. Please be aware that the form can be completed electronically. [Click Here to access the Daily Health Questionnaire.](#)

While no one can predict what the future holds, rest assured that our school team is prepared to come together to address any challenge, and we remain committed to making our school a fantastic place for students to learn and grow. We are excited for the year ahead, please look out for all the exciting things we have planned.

If you have any questions or concerns, please do not hesitate to contact our parent coordinator, Mr. Brown at jbrown112@schools.nyc.gov.

Dora Danner
Principal
