

CELEBRATES BRIGHTER BITES

At P.S. 234- The School of Performing Arts and Technology we are proud to be in our second year of partnership with Brighter Bites. Brighter Bites is a Houston based non-profit organization that delivers fresh fruits and vegetables directly into families' hands while teaching them how to use and choose a different kind of fast food.

With collaboration between our school staff, school family volunteers, community organizations such as City Harvest, and local businesses such as Jet Blue, we are able to provide families approximately 30 pounds of fresh produce to each family on a weekly basis. We strongly believe in the motto of Brighter Bites, "The better we nourish, the brighter we flourish," and we are grateful to have them as part of our school community.
