Dear Fourth Grade Families,

WELCOME TO FOURTH GRADE! We are so excited to begin this school year with you! We are confident that if we work together and bring a positive attitude, it will be one of the best school years ever! Some of the things you can look forward to in fourth grade are: exciting literature, engaging conversation and discussion, mathematical discoveries, writing celebrations and fun spirit days. We would also like to provide you with important information that you will need, so that you will have all the support necessary for your child to have a successful year. We understand that many questions will arise, therefore we are providing the Google Classroom emails of all current fourth grade teachers, so that you can contact your child's teacher with any questions/concerns.
